Welcome To Maxx Fortune Lines

Maxx Fortune Lines Private Limited leads the freight forwarding industry with tailored solutions for global clients. Since 2013, Maxx Fortune has been pivotal in global trade, enhancing its shipping, logistics, and marine services.

We simplify international trade complexities with our comprehensive logistics services. Our strategic partnerships and extensive network help us navigate customs regulations, shipping protocols, and documentation efficiently. As members of WCA and JC Trans, we collaborate with internationally certified agents to maintain high standards across all operations.

Our focus remains on core activities:

- ✦ Sea & Air Freight Forwarding
- ✦ International FCL / LCL Freight
- ✦ Warehousing & Distribution
- ✦ Multimodal Transport
- ✦ Breakbulk & Project Cargo Handling
- ✦ Container Trading & Leasing
- ✦ Customs Clearance & Brokerage
- ✦ Shipping Agency Services

Corporate Values

Laying the Foundation of Success

We believe in the power of collaborative approach and transparency. Our commitment to provide better service and support is the essential element of our potential growth and success through these years.

Vision

To be the global leader in logistics, empowering clients with innovative, sustainable solutions while driving growth and positive impact.

Mission

Deliver cost-effective, reliable logistics solutions with integrity & innovation, exceeding client expectations & fostering mutual success.

Sea Freight

Trust Delivered with Every Shipment

We simplify global ocean shipping by offering reliable sea freight transportation in collaboration with all carriers. With an experienced team, fleet of containers, and deployment of the latest technologies, we facilitate trade opportunities across all shipping routes. Whether you need Full Container Load (FCL) or Less than Container Load (LCL), we provide cost-effective shipping solutions with coverage for all major ocean trade lanes between continents.

We are your trusted partner for shipping cargo across the world's oceans. We handle all commodities, including perishables, construction materials, healthcare products, automotive parts, and general cargo.

Our Ocean Freight Services

We ensure your cargo reaches its destination safely and efficiently, whether it's imports or exports.

- 🚢 Full Container Loads (FCL) for maximum efficiency
- 🚢 Less-than-Container Loads (LCL) for cost-effective shipments
- 🚢 Supplier consolidations for combined shipments
- 🚢 Non-containerized cargo handling for oversized or special cargo
- 🚢 Ro-Ro (Roll-on, Roll-off) transport for wheeled cargo
- 🚢 Safe and compliant hazardous cargo handling
- 🚢 Efficient commercial documentation processing
- 🚢 Smooth and stress-free customs clearance services
- 🚢 Easy processing of export and import licenses

Air Freight

Safe, Secure, and Fast Delivery

Maxx Fortune provides the air freight services you need—urgent, fast, affordable, or specialized. We customize our offerings to meet your requirements, whether it's 24-hour delivery, door-to-door service, or airport-to-airport transport. We expertly manage high-value or time-sensitive cargo with meticulous care.

- Air freight solution to global destination
- Door-to-door delivery
- Express delivery for time-specific & sensitive cargo
- Customs brokerage for specialized destination
- Project cargo handling through Air freight

International DDP Shipment

We manage the entire process, from packaging to delivery, ensuring a hassle-free experience for you.

Comprehensive DDU shipping services

We handle transportation, export customs clearance, and packing, while buyers manage import duties and final delivery.

Specialized Freight

From Frozen to Fresh— We Deliver with Precision

At the heart of our service is the scale, coverage, and flexibility that define our approach to freight logistics. Whether you're handling Full Container Load (FCL) or Less than Container Load (LCL) shipments, our unwavering commitment to quality ensures your cargo is in safe hands. Whatever you're moving and wherever it's headed, we provide comprehensive options to meet your needs.

Reefer Containers

Keep it Cool, Every Step of the Way

We understand that your temperature-controlled shipments require precision and care. That's why we offer specialized reefer services designed to maintain optimal conditions for your perishables, ensuring they arrive fresh and intact, no matter the journey. Whether you're shipping frozen goods, fresh produce, or any other temperature-sensitive items, we've got you covered.

Overcome Shipping Challenges with Our Expertise

Refrigerated transportation presents unique challenges. We tackle these with our proven expertise:

- 🚚 Secure refrigerated shipping at the right temperature.
- 🚚 Diverse Shipment Options offering LCL and FCL.
- 🚚 Swift communication prevents transport delays.
- 🚚 Expert drivers and engineers ensure efficiency.
- 🚚 Advanced tech reduces service costs.
- 🚚 Complete visibility & 100% transparent delivery.
- 🚚 Flexible reefer truckload and LTL options.

Project Cargo

Experts in Bulk, Heavy, & Oversized Sea Freight

At Maxx Fortune we handle every stage of your project with expertise. With more than a decade of experience and access to specialist operators, your cargo is in capable hands. Our dedicated project forwarding managers plan, scope, and monitor each shipment for effective delivery. We offer expert project logistics management for mission-critical transportation.

Your full-service project logistics partner

- ✚ OOG or Oversized Cargo
- ✚ Dangerous Goods or HAZMAT Handling
- ✚ Coastal Shipping
- ✚ Project Cargo Customs clearance
- ✚ Port Storage or 3PL
- ✚ Special equipment hires

Multimodal Logistics

Maxx Fortune Lines – Your One-Stop Multimodal Freight Solution

We leverage a strong network of road, rail, and multimodal partners to move your cargo efficiently under a single bill of lading. As a licensed MTO operator, we offer swift multimodal forwarding services, including customs clearance, import/export documentation, groupage, and scheduled shipments with guaranteed time slots. We ensure seamless freight deliveries by working directly with sea & land transport partners.

- ✚ Continuous monitoring with advanced shipment tracking
- ✚ Single forwarder handling all responsibilities and liabilities
- ✚ Global reach and access to remote destinations
- ✚ Streamlined management for faster delivery times
- ✚ Effortless coordination and lower costs for the shipper
- ✚ Warehousing & organized storage solutions for inventory
- ✚ Additional services tailored to your specific logistics needs

Container Trading

Complete Solution for Diverse Shipping Needs

With our customer's need as the prime approach, we provide shipping containers at very competitive prices. Associated with the network of several multinational corporations as our sourcing partners, we ensure to provide quality containers for shipping. In addition to 20' and 40' GP, HC, and Reefer containers, we also offer flat rack, open top, and GOH containers for specialized cargo.

- 🚚 20' & 40' Standard & HC Containers
- 🚚 ISO Tank Containers
- 🚚 20' & 40' Reefer Containers
- 🚚 Open-Top Containers
- 🚚 Flat-Rack Containers
- 🚚 GOH Containers

Container Leasing

We offer dry and refrigerated containers for domestic short- and long-term leasing to serve a variety of storage and shipping purposes. We ensure that our containers meet the highest standards of quality and safety, reinforcing our commitment to excellence.

Customs Clearance

Navigating Customs, Simplifying Shipments

If you need to import or export cargo, reliable customs clearance service is essential. Maxx Fortune offers comprehensive customs clearance services for sea, air, and road shipments. Our services include:

- ✓ Hassle-free customs brokerage services.
- ✓ Efficient import/export processing with expert clearance support.
- ✓ Import clearance for all sea and airports.
- ✓ Expert consultation on customs procedures and compliance.
- ✓ Scheme clearances – advance authorisation / EPCG
- ✓ FTWZ clearance – faster processing, duty benefits, & global trade

Cross Trade

Shipping from Anywhere to Anywhere

Our global network enables seamless cross trade shipments to any destinations. You can arrange third-party transactions locally through our associate offices, interfacing with suppliers and agents in the sourcing country. We manage logistics electronically and move cargo directly between countries, bypassing the shipper's home country. We provide customs clearance & documentation for all airports and ports.

Warehousing

Optimize Your Global Supply Chain

We offer customizable warehousing and distribution services across continents, ensuring precise handling and optimal storage for your goods. Along with warehousing, we provide a comprehensive range of supply chain solutions, including freight forwarding and customs clearance, giving you a strategic advantage.

Core Services

- 🔗 Versatile warehousing for any cargo - bulk & heavy
- 🔗 Warehouse rental and lease services
- 🔗 Storage capability in non-free zone areas through partners
- 🔗 24/7 access to stock management
- 🔗 Cold chain storage services
- 🔗 Storage options for pallets, crates, drums, & dangerous goods
- 🔗 Pick & pack operations, palletizing, shrink-wrapping, & labeling
- 🔗 Warehouse management system
- 🔗 International distribution through global partnerships

CIS Destinations

Connecting CIS with Seamless Logistics

We excel in delivering seamless logistics solutions across the CIS region. Leveraging multimodal transport—sea, road, and rail, we ensure efficient cargo transportation.

With competitive rates, partnerships with global operators, and expertise in multi-border clearances, we simplify complex logistics.

Our reach - Kazakhstan, Azerbaijan, Armenia, Turkmenistan, Tajikistan, Uzbekistan, Kyrgyzstan, Belarus, Georgia, & Moldova.

- ✚ Proven expertise in navigating challenging terrains.
- ✚ Competitive rates with specialized SOC solutions.
- ✚ Extensive global and regional network.
- ✚ End-to-end support for complex logistics requirements.

Strategic Approach

Unlocking Opportunities in Emerging Markets

Maxx Fortune is expanding into a niche market, specifically targeting the thriving Tobacco sector. We are strategically positioning ourselves to capitalize on the sector's immense potential. With India exporting over 2,000 tobacco containers annually and expected to double, we specialize in integrated logistics solutions ensure end-to-end efficiency.

Highlights

- 🌐 Tapping the raw tobacco export market originating from Guntur, with Chennai & Nhava Sheva as prime loading ports
- 🌐 Expanding into Indonesia, targeting its emerging market potential for high growth prospects
- 🌐 Leveraging our strategic location in Dubai for warehousing and distribution of processed tobacco products
- 🌐 Tapping the buyers' finished goods import market at key ports like Antwerp and Novorossiysk
